

Modern Mind Mapping for Planning, Task Management & Collaboration

Ayoa delivers an inclusive, **all-in-one solution** for your students, facilitating assignment planning, task management, and collaborative engagement with peers and supporters.

Modern User Interface

A clean and intuitive interface motivates students by eliminating cluttered menus, making tool discovery effortless and encouraging software usage

True Task Management

Allows students to manage their academic tasks within user-defined categories, reducing anxiety and overwhelm

Real Collaboration

Allows students to collaborate on planning, task lists and whiteboards and chat with group members and supporters, all within the software

Whiteboards

Allows creative note-taking with the ability to add text, sticky notes, images and attachments or start with one of the proven templates

Idea Bank

Allows students to keep track of their ideas and add them to their mind map at a later point, so that they are not forgotten

Full-function Mobile Apps

Allows students to access and add to their work anywhere, any time with iOS and Android apps included for mobile and tablet

AI Support

Ayoa Ultimate includes neuro-settings that support neurodiverse learning and suggest ideas to help avoid blank page syndrome

Accessibility

Allows users to set default font type, size and background colours, ensuring their work is accessible from the start

Supporting individual student needs

Short Term Memory

Idea bank reduces cognitive overload by allowing students to get ideas down quickly without having to decide where to add them to their mind map

Maintaining Focus

Ayoa's toolbar customisation and Auto Focus tool hide unnecessary buttons and information, allowing students to focus their attention

Social Interaction

Ayoa promotes group work collaboration by providing a free version to all students, allowing project collaboration, all within the Ayoa app

Anxiety

Visual task management with user-defined categories reduces overwhelm and allows students to plan their academic work with help from a supporter

Your AI-Powered Partner promoting collaboration and embracing diversity in an all-in-one strategy. For everyone, everywhere!
